## Why is Preschool Important?

- Preschool promotes language development: talking, telling stories, and conversation.
- Preschool offers experiences which help to develop readiness for reading and math.
- Preschool provides experiences with music through songs, dance, and rhythms.
- Preschool develops a child physically through games and activities like skipping, jumping, and marching.
- Preschool develops fine motor skills - tracing, cutting, and painting.
- Preschool provides social experiences: working, playing, and sharing with others his/her own age.
- Christian preschool nurtures the child to grow in God's love, as well as, learn Christian values and teachings through Bible stories, Bible songs, and prayer.
